## Health & Safety

- If you are selling food, you **must** read the food vendor information below and comply with **all** relevant State Government and Council regulations. For further information contact Mildura Rural City Council or register online at:  
<https://streatrader.health.vic.gov.au/>
- Vendor marquees must be securely weighted on each leg with minimum 30kg weights per leg.

## Site Allocation

- Site allocation is at the discretion of the festival organiser. Sites are pre-allocated and cannot be changed on the day. You will be sent a map the week before the festival.

## Electricity/Power/Lighting

- A 10 amp power source will be made available to all vendors. Please contact festival organisers if this is not adequate.

- All electrical appliances and extension leads used during the event must have a current Portable Appliance Test (PAT) tag attached, clearly visible and dated.
- Please bring at least one 20m extension lead with you.
- It is your responsibility to ensure your leads and equipment are safe and comply with relevant regulations.
- All electrical equipment may be inspected as part of the Festival Safety Audit. We reserve the right to disconnect and remove any electrical equipment not meeting safety requirements.
- Please note that no overnight power will be provided.
- Food vendors cannot use their own power generators, as the noise may impact the quality of the performance.

### Gas

- All vendors using gas must comply with all Energy Safe Victoria regulations. For information on electricity and gas safety regulations, contact Energy Safe Victoria. [www.esv.vic.gov.au](http://www.esv.vic.gov.au)
- Festival organisers reserve the right to remove any vendor who does not comply with Energy Safe Victoria guidelines for an event in a public place.

Will you be using gas in your stall operations?

- Yes
- I have completed an ESV Gas Safety Self-Check List and will have a copy at the event.
  - I have appliances powered by gas all of which have a compliant AGA Approval sticker.
  - My catering vehicle is powered by gas and has a current ESV Compliance Plate visible.
- No

### Water, Oil & Chemicals

- Vendors should bring their own water if possible as access to water on-site is limited.
- All wastewater (grey water) must be retained and removed by the vendor. Waste water must not be released on grassed areas during or after the festival.
- Vendors must safely store and remove all cooking oil and chemicals associated with food production and hygiene.

### Recycling and Sustainability

All vendors are responsible for disposing of their own waste in an environmentally friendly manner. Rubbish and recycling bins are provided for the use of patrons **NOT** stallholders.

- All packaging must be recyclable and/or sustainable.
- The use of polystyrene cups or plastic containers is not allowed.
- Flatten & store and take away all waste packaging.

- Waste must be stored in a manner that discourages pests (eg. in sealed containers or plastic bags)
- All vendor sites must be kept clean during the festival.
- All waste matter must be removed by the stallholder and disposed of off-site in an environmentally friendly manner.
- Checks may take place during the festival to ensure stallholders are adhering to these requirements.

### Public & Property Liability Insurance

- All vendors are required to have minimum \$10,000,000 public and products liability insurance cover. A copy of this must be included with this application.

### Termination of Trade

- Participation may be terminated without compensation if our terms and conditions are contravened or if safety is comprised in any way.

### Event Cancellation

- Although Festival Management will make reasonable attempts to minimise the impact of adverse weather, they reserve the right to cancel the festival in the event of a Code Red Fire Day or other severe weather conditions.
- In the event the festival is cancelled due to inclement weather conditions or a Code Red Fire Day, the Festival or its representatives will not be held accountable for any loss of earnings or fees paid.

### Regulatory Compliance

- Vendors must register on “FoodTrader” at least 21 days before the event:  
***<https://foodtrader.vic.gov.au/>***
- Vendors must submit a copy of your current Food Act 1984 registration with this application.
- Vendors must comply with the Food Act 1984 in full.
- A “Statement of Trade” must be submitted to the Mildura Rural City Council a minimum of 5 days prior the festival.

### Liquor Vendors

- You must have a temporary Liquor License if you are selling alcohol.
- The sale or provision of alcoholic beverages without the approval of the festival organisers is strictly prohibited. If you are approved by the organiser to sell alcoholic beverages it is YOUR responsibility to comply with the applicable licensing regulations.
- Liquor may only be serviced in unsealed non-glass containers or opened cans.
- Attendees may purchase a maximum of 4 alcoholic drinks of which a maximum of 2 may be pre-mixed spirits (per customer, per time).
